SAC (School Accountability Committee): Are you interested in attending PTEC's SAC monthly meetings? The school-level accountability committee (SAC) serves in an advisory role to the school principal. This committee seeks to represent the school community's point of view at large and to make recommendations to the principal for improving the school. It's parents, teachers, community, it's YOU! Our first SAC meeting will be held Wednesday, September 13th, 5:30pm.

If interested or have questions, email kelly.dias@jamesirwin.org

DAAC (District Accountability Advisory Committee):

Please see the flyer attached.

Math club: Ms. Roman is interested in starting a math club. If interested, see the flyer attached.

Please ensure students get to school on time. Students must be in their seat by 7:30 am. At 7:31 they are tardy.

PTEC's 2nd Annual Trades Pro Day is coming up on September 15th!

Do you own a business in the trades?

We would love to have you participate!

Interested businesses please scan the QR code on the flyer.

Families are encouraged to attend with your student!

Please see the flyer attached.

October Count Absence - October count window opens September 25 and closes October 9th. If the student is out of school for any reason during the October Count window, the parent/guardian will be required to sign the student in and out for each of the remaining days during the window. Kindly ensure your student's presence during October count window between September 25th-October 9th for the vital October count week. Please avoid scheduling appointments these weeks to avoid interruptions. Your cooperation is appreciated.

October count Information

Each year all public school districts and facilities across the state of Colorado participate in the Student October Count data submission to the Colorado Department of Education (CDE). The purpose of this data collection is to obtain required student level data as provided for by state statute, including information regarding students' funding eligibility as outlined in the Public School Finance Act of 1994, as amended (22-54-101, C.R.S.). The Colorado Department of Education collects these data through the Data Pipeline system with the Information Management Services (IMS) unit of CDE overseeing the collection.

The Student October Count is based on a one (1) day membership count in which districts are asked to report all students who are actively enrolled and attending classes through their district on that date. While the submission should only include those students who meet the membership and scheduling requirements as of the pupil enrollment count day, the actual submission process begins in September and closes mid-November. Districts should refer to the Student October Count data submission documentation distributed by the IMS unit at CDE for further information regarding the actual submission process and data element definitions.

APPLICATION TO SERVE ON THE DISTRICT ACCOUNTABILITY ADVISORY COMMITTEE

The District Accountability Advisory Committee (DAAC) is a legally constituted committee of representatives from the El Paso County Colorado School District 49 (D49). Monthly meetings are held from August to May each school year.

DAAC's mission is to enhance communication with the District Accountability Advisory Committee, School Accountability Committees (SACs), and the community by providing guidance and counsel to the El Paso County Colorado School District 49 Board of Education (BOE) on matters related to budget, improvement priorities, and student achievement. Members are appointed for an indefinite term, until their resignation, abandonment, or removal.

For further information about the responsibilities of DAAC members, please review the DAAC bylaws online at: <http://www.d49.org/Page/571>
