JUST IN

Dear PTEC families,

I wanted to ensure everyone is aware that we are out of snow days for this academic year due to the pipe bursting in November. In the event of any further school closures for any reason, it will be necessary to adjust our school calendar accordingly. We will have to take it day-for-day. Should a closure occur, instructional days will be added to the school calendar, with attendance expected. For example, we will have to be in school on May 24 and so on until we recoup each day. Again, this is only for any closures moving forward.

Should we need to recoup days, we will let you know.

Thank you for your attention to this matter.

Sincerely, Mrs. Warren - Principal

JUST IN CONTINUED

Tuesday, April 30th, 5:30 PM. SAC (School Accountability Committee): The school-level accountability committee (SAC) serves in an advisory role to the school principal. This committee seeks to represent the school community's point of view at large and to make recommendations to the principal for improving the school. It's parents, teachers, community, it's YOU! Mark your calendars, we look forward to seeing you there. If interested or have questions, email kelly.dias@jamesirwin.org

Summer school will be offered for Pre-Algebra and Algebra this summer at PTEC.

Students can earn credits for one of these math courses and have an opportunity to work in several CTE shops, as well.

- Classes will meet from 8 am to 1:30 pm with a break for lunch.
- 4 days per week after May 28th through July 3rd.
- May 28 - 31, June 3 - 6, June 10 - 13, June 17 - 20, June 24 - 27, and July 1 - 3.

The students will get a half-hour lunch, which they will have to bring. This will not be just for credit recovery. It can be for students who wish to test out of either math class at the beginning of the next year, anyone who just needs additional support, or anyone who wishes to get ahead.

The math students will be given first dibs in the shop classes, but if there is still room, kids can sign up just for the shop class. There is a limit of 40 students.
