Please read carefully and initial every line, then sign at the bottom.

Because JIES-A is committed to providing the best instruction possible to every child, it is important for our families to affirm their support and understand their commitment.

____As a supportive JIES-A parent, I will turn in the signature page of the JIES-A Parent-Student Handbook and ensure that my child abides by the contents therein. I understand that registration will not be considered complete until the signature page has been received in the office.

____As a supportive JIES-A parent, I will look for ways to volunteer and assist with classroom activities.

____As a supportive JIES-A parent, I pledge to uphold the homework policies and will sign my child's Learning Plan daily.

____As a supportive JIES-A parent, I will ensure my child will be in the school and ready to work by 7:45 AM. Class starts at 7:50 AM.

____As a supportive JIES-A parent, I will ensure my child is picked up by 3:50 PM (3:20 Dismissal), Monday through Thursday, and 1:50 PM (1:20 Dismissal) on Friday. I understand my child may be waiting in the front office after 3:50 PM (1:50 PM on Friday), and if this occurs more than two (2) times, I will be required to pay a \$25.00 fee to JIES-A. Also, I have the option to enroll my child in Kids Club 360 (before and after school care).

____As a supportive JIES-A parent, I will uphold the school's 95% attendance goal by requiring my child to attend classes every day. The only exception will be when my child has a fever (100.4 or higher) or is actively sick.

____As a supportive JIES-A parent, I will uphold the attendance policy of no more than eight (8) absences or ten (10) tardies a semester, either excused or unexcused. This includes planned absences and illnesses. I will provide a doctor's note if my child is absent three (3) or more consecutive days.

____As a supportive JIES-A parent, I understand that, should my child have excessive excused or unexcused absences during a semester (5 or more), he or she may not be able to complete the required coursework, which may affect my child's grade placement for the next school year. In addition, my child may be placed on an attendance contract followed by possible state-mandated truancy proceedings through the legal system.

____As a supportive JIES-A parent, I will uphold the "No Social Promotion" philosophy, and I will be respectful in all communications if the Gift of Time procedures for grade level retention need to apply to my child/children.

____As a supportive JIES-A parent, I will reinforce the JIES-A Uniform Policy by requiring my child to be in compliance every day.

____As a supportive JIES-A parent, I understand my child's work will be displayed or my child may be photographed if I did NOT sign the Audio/Visual Form.
