AGENDA

School Accountability Committee (SAC)

October 7, 2021

5:15 – 6:15 PM

Discussion Items	Notes
1. SAC By Laws and Introductions – <i>is there anything we should add to this Agenda. If we do not add it now, we cannot talk about it until next time.</i>	Online, if interested to view
2. Topics <ul style="list-style-type: none"> • Ice Breakers • Academic Intervention/MTSS – presentations by Mr. Abbott • UIP – date change • MLO • ESSER Funds • Best times for SAC meetings • Family Engagement – ideas on how to get families involved with student academics and fundraising 	<ul style="list-style-type: none"> • Academically, PTEC gets students who are below grade level. MTSS is the tiered structure for supporting students in the classroom. Targeted intervention based on needs (push-in, and pull out) • 36 students being evaluated for services, 2 on MTSS plan • Freckle provides benchmark for what level students are as well as targets for individual students • Winter MAPS will provide data for what interventions are working • Is there a decline in student effort? Yes, across the board in schools right now. PTEC has a more controlled environment. • UIP is a replica of previous year. Due to COVID, we would like to refine and adjust in the coming year based off what we see in 21-22 school year • Plan to target ELA and Math looking at data to drive improvement strategies. Improve character; teaching student to be students again <ul style="list-style-type: none"> ○ Targeting written expression, and reasoning and analysis • MLO funds <ul style="list-style-type: none"> ○ Compensation is always a factor of staff turnover

Power Technical Early College
