Limited Cell Phone & Personal Electronics

PTEC only allows students to use cell phones and personal electronic devices before and after school. We believe that students can best relate to others face to face and focus on studying without the distractions of these devices. Students are to leave all electronics (cell phones, smart watches, tablets, laptops, etc...) in their locker for the school day.

Zero tolerance.

If parents need to reach their student, please call the front office.

Pick up and drop off: Please see the attachment of the diagram for pick up and drop off. One entrance and one exit in the north parking lot. The south parking lot is for staff parking ONLY. Several staff members will be in the parking lot directing traffic and helping students.

Locks need to be on lockers.

Lock combinations need to be given to the front office or the deans office.

Students should practice using their combinations before coming to school (sometimes it is confusing to use at first). We are not responsible for the security and contents of your personal locker.

Senior Informational Night is anticipated to be scheduled within the upcoming month. More information to come.
