

Power Technical (PTEC)

a James Irwin Charter School

2024 – 2025 Parent Commitment Signature Sheet

Please read carefully, initial every line, and then sign at the bottom. All referenced forms are located on our website at www.jamesirwin.org, PTEC tab, Yearly Registration.

Because PTEC is committed to providing the best instruction possible to every child, it is important for our families to affirm their support and understand their commitment. We ask families to presume positive intent and speak kindly and respectfully to all staff even if they are frustrated or have questions or concerns.

___ As a supportive PTEC parent, I will turn in the signature page of the PTEC **Parent-Student Handbook** and ensure that my child abides by the content therein. I understand that registration is not considered complete until the signature page has been received in the office.

___ I understand ALL shot records for my child(ren) must be up-to-date or exemption forms received by **the last Friday in August**, in order to be in compliance with Colorado Law (CRS 25-4-903). Your student will not be allowed to attend school until we receive their records or exemption forms, and their absence will be coded as unexcused until compliance is achieved.

___ As a supportive PTEC parent, I understand if my student needs bus transportation I will fill out the Bus form that is located in the yearly registration paperwork online and give that information to the PTEC front office.

___ As a supportive PTEC parent, I have read and understand the responsibilities that I must uphold in regard to the PPE Letter and Contract form.

___ As a supportive PTEC parent, I have read and understand the responsibilities that I must uphold in regard to the Computer Internet Use form.

___ As a supportive PTEC parent, I have read and understand the responsibilities that I must uphold in regard to the Academic and Behavioral Contract.

___ As a supportive PTEC parent, I have read and understood the Attendance Contract. I understand that should my child accumulate excessive excused or unexcused absences during a semester, he or she may not be able to complete the required coursework. As a result, your student may be required to repeat a grade or course.

___ As a supportive PTEC parent, I have read and understood the Dress Code form. I will reinforce the PTEC Uniform Policy by requiring my child to be in compliance every day.

___ As a supportive PTEC parent, I understand my student **may not** be absent during the October count window, OR finals in December and May.

- If my student is absent during finals, I understand that my student will receive a zero for any missed final.
- I also understand I will be asked to fill out a sign-in/out sheet for each day my student is absent during October count.

___ As a supportive PTEC parent, I understand my child may be photographed and those photos may be used to promote PTEC. Also, my child's work will be displayed in classrooms, halls, and possibly online.
