INTRODUCTION

Welcome to the “new & improved” JICES Handbook. We are developing the JICES Handbook to include more information that parents have requested. If you have any questions, please feel free to contact JICES administrators with your concerns.

The James Irwin Charter Elementary School handbook contains the expectations, policies, and procedures that guide our school. Students and parents are responsible for knowing and following all school policies and procedures. The success of a student at JICES is an expressed agreement on his/her part and the part of the parents or guardians to understand and comply with these policies and procedures. This handbook is meant to be a guide; it is impossible to cover every situation that may arise during the school year. These expectations and policies maintain a community where students honor and respect the rights of others and foster an environment where students can excel in all areas. (The rules in this handbook are subject to interpretation and modification by the school administration and faculty as needed.)

STUDENT HEALTH

Health Requirements & Immunizations
Colorado’s immunization laws for school aged children require the following:
1. Diphtheria-Tetanus– 5 doses
2. Polio – 4 doses
3. MMR – 2 doses
4. Chicken pox (varicella) – 2 doses
5. Hepatitis B series – 3 doses
6. Tdap – 1 dose (starting at age 10-11 or upon entering 6th grade)

State law requires parents to show evidence of immunization ten days after the beginning of the school year. Students who have not been vaccinated or whose parents have not signed a waiver will be denied attendance in accordance with Colorado Revised Statute 25-4-902. Parents wishing to waive immunization requirements may do so for personal, medical, or religious reasons. In order to waive these, parents must sign a form and submit a statement to the school office within ten days of the beginning of the school year. This is required under Colorado Law (CRS 25-4-903). Contact the El Paso County Health Department with any questions concerning immunizations.

Communicable Diseases/Extended Illness
School attendance by a student with a communicable disease will be dealt with on a case-by-case basis in accordance with guidelines for that disease by both state and local health departments, including the Center for Disease Control. In such cases as chicken pox, measles, or mumps, students will not be allowed to return to school until the school receives parental assurance and/or a doctor’s notification as to the risk of infecting another student.

JICES Nutrition Guidelines
Students need to be taught about the importance of healthful eating and the effects of caffeine and junk food to their health and to their ability to learn, now and for the future. Under the Healthy, Hunger-Free Kids Act, the U.S. Department of Agriculture (USDA) has established nutrition standards for all food and beverages in schools. In order to promote a healthy and productive learning environment, JICES asks parents not to send caffeinated beverages or additive liquids and powders which contain caffeine that can be added to water. In addition, all beverages and processed food items that contain more than 15 grams of sugar per serving are not advised.

OFFICE

Financial Obligations
All financial obligations and any debt must be met from the previous year before a student can register for the following year. All obligations to JICES must be met before transcripts can be requested.

Telephone
Students are not to be contacted on their cell phone during school hours. Parents/guardians should call the Elementary School front office instead. Messages and deliveries from parents are to be left in the office to respect the educational opportunity of all students. Students will not be called to the telephone except in emergencies. Students are not to use the school’s telephones without permission from a JICES staff member. Telephones in the office are for business purposes. Except for emergencies (illness, change of athletic schedule, change of school or carpool schedule), students may not use the office phones. Cell phones must be turned in to the front office before school. Students may pick up their phones after school. Calls to the office can be made between
7:30 AM and 4:00 PM. A message system will take messages any time before and after school, or if lines are busy during school hours. Please leave a message; the office staff checks messages quickly, and this is the quickest way to contact us.

**PARENT INFORMATION**

**Handbook**
This handbook is provided to you upon request or you may download a PDF copy from our website. [https://jamesirwin.org/astrozon-campus/jices-parentstudent-handbook/](https://jamesirwin.org/astrozon-campus/jices-parentstudent-handbook/)

**Lost and Found**
The school cannot be responsible for lost or stolen property, but an effort is made to assist students in the recovery of lost or stolen property. A “lost and found table” is in our entry hallway. All property, except valuables, found should be turned in there. Any valuables should be turned in and claimed in the office. Unclaimed clothing and other items will be turned over to charitable organizations **at the end of each semester**. Students are strongly encouraged to leave valuable items, including electronics, cell phones, expensive jewelry, toys and large amounts of cash, **at home**.

**Field Trips**
Field trips are privileges afforded to students; no student has an absolute right to take part in a field trip. Students can be denied the participation if they fail to meet academic and/or behavioral requirements. A form provided by the school is to be completed by the parent/guardian granting permission to the student. Students who fail to submit the proper form will not be allowed to participate in the field trip. Unless otherwise permitted, students on field trips must be in dress code.

**WEATHER & EMERGENCY INFORMATION**
As a commuter school, JICES administrators will decide whether to delay school or to dismiss early due to bad weather. Because of our broad geographical student base, JICES may feel it is necessary to close because of severe weather even when District 2 remains open. In such a case, tune in to local radio and television stations for pertinent announcements or check either the school website or the school’s answering machine. In all cases of bad weather, parents should exercise their own judgment whether to bring/send their child to school.

**Storm Alerts**
In case of severe weather during school hours, an announcement will be made over the PA system. Students are to follow whatever instructions are given.

**School Safety [Revised July 2016]**
JICES has taken many precautions to secure our building, implement safety measures, and train our staff to manage challenging situations if they occur. The tragic events in schools, movie theaters, churches, synagogues, and other public places create concern for us all. We continue to seek information learned from all tragic events in schools and will continue to take action where necessary to further our measures and efforts. Below are terms that parents and students should know when it comes to school safety.

In any real-world situation on campus, the first instinct for parents will be to come to the school to check on their child or take him or her home. However, to ensure the safety of our students, please be patient and remain where you are until the situation has been resolved. Should an emergency response be called for, it is important that emergency vehicles be able to reach the campus quickly and easily. Parents who attempt to come to the school may obstruct emergency vehicles’ access and even endanger themselves or their children. Please do not call the front office; if needed a general phone call will go out to all parents.

**Lockdown** – A school may be placed on lockdown when there is an exterior threat on campus or in the vicinity of the school. Lockdowns most often occur due to police activity unrelated to the school, but in the area. In a lockdown, the school is closed to all unknown visitors and anyone seeking entrance must show some form of identification. Students are supervised indoors.

**Shelter in Place** – A shelter in place will be called when there is an immediate interior threat. All personnel are directed to remain confined to a room/area with specific instructions to lock all doors and seek cover.

Lockdown and Shelter in Place situations are highly controlled events where police and school officials are working together and in coordination, following predetermined procedures that will best insure the safety of all involved.
CONDUCT AND DISCIPLINE CODE

OVERVIEW

Welcome to James Irwin Charter Elementary School. This document is intended to help you easily understand and support our expectations and partnership in your child’s education. We have endeavored to be straightforward and clear in our wording. If there is something that is unclear or causes you concern in the JICES Conduct and Discipline Code, please let us know. We want to “be the best we can be,” and your feedback is helpful.

It is our mission at James Irwin Charter Elementary School to help “guide students in the development of their character and academic potential through academically rigorous, content-rich educational programs.” We understand that parents are earnest about having their children in a school that models, teaches, and enforces high standards of conduct that reflect good character. Thus, parents and JICES are in an important partnership in building our core character values: Honesty, Integrity, Respect, Responsibility, and Excellence.

We use methods of teaching and classroom management that are well-researched and structured for success for all students. This includes clear behavioral guidelines and procedures. Classrooms are free from all distractions. Disruptive students are removed from the classroom. Students who repeatedly misbehave are disrupting their own learning as well as that of other students: they have the opportunity to learn the “dignity of consequences” coupled with strong positive support to learn appropriate behavior.

Students are expected to show respect in all areas, for the supervisory authority of all school employees as well as for the rights and welfare of other students. Students are expected to act in a way that supports the educational mission underlying all JICES activities and the widely shared use of school property. All employees share responsibility for supervising and correcting the behavior of students according to the established rules of conduct. We hold with the experts’ findings that it is important to have consistent expectations and “language of behavior” throughout the school.

At the beginning of each school year, teachers discuss and practice proper classroom behavior with their students and explain to the students the expectations for conduct in each individual classroom. Classroom rules may include such items as “Speak when you have permission,” “Keep your hands and feet to yourself,” “Do your own work,” “Walk quietly down the hall,” “Come to school with necessary materials and completed assignments,” etc. These are taught and reinforced as observable expressions of Honesty, Integrity, Respect, Responsibility, and Excellence. When students understand what these character qualities “look like” and “sound like” in the school setting, they will be able to apply them in other settings as well.

JICES enforces the behavioral code so that the students and their parents or guardians understand that students will be rewarded and acknowledged for demonstrating good behavior; unacceptable behavior will not be tolerated and will be dealt with according to clear guidelines. Students who abide by the standards put in place by the JICES Conduct and Discipline Code will maintain their Student in Good Standing status. The Code includes academic, attendance, and financial expectations. (See the following section for the definition of Student in Good Standing.)

Proper student behavior occurs as a result of mutual cooperation between home and school. Students, parents, teachers, and the administration all play a vital role in assuring that JICES fosters a sound educational environment that encourages productive learning. This environment must be safe and free from unnecessary disruptions. It must also foster a positive attitude towards self-discipline and socially acceptable behavior.

STUDENT IN GOOD STANDING STATUS

A student with the status of Student in Good Standing has preferred enrollment for the following academic year. This status is given when the following are in place:

- All financial obligations are met (e.g., missing books are paid for; fees incurred due to chronic late pick-up are paid; school-related activities have been paid in full, including Launch, volleyball, tutoring, Landsharks, etc.).
- The student has followed the JICES Conduct and Discipline Code in regards to overall behavior and attendance.
- The parents have exercised punctuality in arrival and picking up their student(s).

If a student no longer has Student in Good Standing status at the end of the school year, re-enrollment for the following year may be at risk, and the student may be placed on the wait list for that grade.

Classes begin promptly at 8:00 AM. Students are to be in their seats ready to begin work at that time. We ask that all students arrive between 15 and 30 minutes before their scheduled start of class.

Attendance has a direct impact on student achievement when a school uses highly-correlated, sequential, effective curricula and lesson designs. These components are part of the JICES Charter Application which identifies our educational methodology as a faithful implementation of the Effective Teaching Cycle, and more specifically, using Direct Instruction materials and design principles which are extensively validated by the best educational research. The teachers teach explicitly and directly in class: when students are absent, they cannot receive the instruction and on-going review that leads to mastery. Continuity in learning and mastering new skills can only happen when students and parents support the importance of regular attendance.

Number of Absences Permitted [Revised July 2015]

When students miss a day at JICES, they miss opportunities for mastery learning. Maintaining consistent attendance promotes academic excellence (one of our core character pillars). We look forward to working with parents in close cooperation to ensure their child’s success.

- When a student has more than eight (8) absences and/or ten (10) tardies, excused or unexcused, during a semester, the Principal or the Attendance Assistant will take the following actions:
  
  i. If many absences are unexcused, JICES will call the parent/guardian and express that the student may be at risk of being labeled “habitually truant,” according to Colorado School Law. In conjunction with the phone call, a letter listing the absences and/or tardies will be sent to the parent/guardian.
  
  ii. If the student’s absences and/or tardies continue, a second attendance letter will be mailed to the parent/guardian.
  
  iii. If the student’s absences and/or tardies still continue after the second attendance letter, a conference will be scheduled with the parent/guardian. During the meeting, JICES administrators will discuss the student’s academic standing, inquire about any situations causing the absences, and provide possible suggestions that might solve the attendance concerns.
  
  iv. Students who have excessive absences (greater than 8) and/or excessive tardies (more than 10), excused or unexcused during a semester, may be placed on an Attendance Contract. The Attendance Contract will outline specific requirements for the student and parents to abide by.
  
  v. Students considered habitually absent and or tardy may be at risk of losing their Student in Good Standing status. Extended illness may be a mitigating circumstance.

- Family events during the school year (vacations, weddings, etc.) including those that have been approved by a Scheduled Absence Plan, will count toward those absences.

- Excessive absences and/or tardies may negatively affect a student’s mastery, causing academic deficits (including low grades/low group placement), and hinder the student’s ability to be promoted into the next grade: therefore, the student may be required to take the “Gift of Time” option and repeat that grade.
Colorado School Law stipulates that students will be considered “habitually truant” if they have four (4) unexcused absences in a month or ten (10) unexcused absences in a school year. [C.R.S. §22-33-[107] (3a)]

- If truancy continues, the parent and student may experience judicial consequences as appropriate to Colorado Educational Law procedures.
- Students who acquire excessive absences and/or tardies will receive disciplinary consequences according to JICES procedures.
  1. Five (5) unexcused absences will result in one (1) day of In-School Suspension (ISS).
  2. Additional days of ISS will be applied should the absences continue.
  3. Excessive tardies may result in the student receiving one (1) day of In-School Suspension (ISS). (See section on Tardies and Consequences.)

Assignments and tests missed during all unexcused absence(s) will receive zero (0%) credit for assignment(s) to be turned in and 75% of earned credit on missed test(s).

Notification of Absence for Illness

Parents or guardians need to notify the front office by 9:00 AM every day that a student is absent. Until properly reported, the absence is considered unexcused, regardless of its nature. If a student is absent three (3) or more consecutive days, a doctor’s note is required.

- The doctor’s note must specify the type of illness, the date the child was seen, the time of the appointment, and when the student may be expected to return.
- The doctor’s note will become part of the student’s permanent file.
- If the parent/guardian does not report the absence within 24 hours, it will be counted as an unexcused absence.

When a student is ill, parents who wish to collect the missed assignments will need to make the request before 9:00 AM to allow the staff time to prepare the materials before the end of the day.

Notification of a Planned Absence (Scheduled Absence Plan) [Revised July 2016]

JICES understands that students may need to take a leave of absence during the school year for reasons that are beyond their control and/or for special family events. When an absence cannot be avoided, JICES requires students and their parents/guardians to follow the guidelines as listed below:

- We ask that parents do not plan to have more than 3 days off in a school year for religious holidays, family vacations, special family events, etc.
- Parents/guardians are required to turn in a Scheduled Absence Plan (SAP) to the JICES office a minimum of two weeks prior to a planned absence. Requesting a SAP less than two weeks prior does not allow sufficient time for JICES to complete the review process and the absence may not be approved. This is reviewed on a case-by-case basis, and it may be considered an “unexcused absence” for the student. Scheduled Absence Plan forms are available in the school’s front office or at the following link https://jamesirwin.org/astrozon-campus/jices-forms/.
- The Principal will review the student’s attendance and current grades. The Principal will either approve or deny the SAP based on what is best for the student’s academics.
- If the SAP is approved, the parent/guardian will receive a signed copy for their records. The parent/guardian will be responsible for the following: (1) collecting their child’s assignments to be done (including making copies if needed), and (2) returning the completed assignments by the designated deadline.
- If a student has maintained good attendance and academic standing, this is taken into account when determining a Scheduled Absence Plan (SAP).
- Regardless of the reason for an absence, students will be required to make up all missed assignments and tests.
- For each day a student is absent, they will be allowed 2 days to complete and turn in the assignment.
- Assignments and tests missed during all unexcused absence(s) will receive zero (0%) credit for assignment(s) that are turned in and 75% of earned credit on missed test(s).
JICES asks parents/guardians to abstain from planning or allowing absences during mandatory testing (state tests, DIBELS, quarterly Benchmark Tests, and MAPS). This requisite is especially true during state testing times. It is very difficult for students and staff to re-administer mandatory tests. Parents should consult the school calendar for these dates.

Tardies and Early pick-up Consequences [Revised July 2016]

Students are expected to be punctual for class throughout the year. They need to arrive by 7:50 AM in order to hang up their backpacks, put away their lunches, use the facilities if needed, and be seated at their desks, ready to work at 8:00 AM. (This also helps students learn a good work ethic of punctuality that will be useful in their future obligations as adults. Timely arrival is also an expression of Excellence and Responsibility.)

If students arrive at 8:00 AM, they will be considered tardy since they cannot be at their desks and be prepared to learn by 8:00 AM. Students who are running down the hallways at 7:59 AM and rushing to get to class are not focused and well-prepared for their best learning. Please note that the school doors will be locked promptly at 7:58 AM, and parents and students will need to enter through the front office for the parent to sign in the student.

- Students who are late to school must be signed in by a parent/guardian in the front office.
- Excused tardies are given for extreme weather conditions and medical appointments only. Traffic problems will be determined on a case-by-case basis. (Chronic car problems are not valid reasons for tardies to be excused: parents need to arrange for dependable transportation.)
- JICES policy states that when the number of unexcused tardies exceeds ten (10) per semester, the student is at risk of losing Student in Good Standing status.
- Parents need to meet with the Principal and the Attendance Assistant if their child exceeds the allowable number of tardies as outlined above.
- Students who acquire excessive absences and/or tardies will receive disciplinary consequences as stipulated by Colorado School Attendance Law. Other administrative and/or legal ramifications may apply.
  i. Ten (10) unexcused tardies will result in one (1) day of In-School Suspension (ISS).
  ii. Additional days of OSS will be applied should the tardies continue.

Early pick-up [Revised July 2016]

- If your student is frequently picked up early, for a doctors or a dentist appointment you will need to provide a note from the doctor or dentist. You may also, be asked to meet with the Principal.

Late Pick-Up Consequences [Revised July 2016]

All students must be picked up from school in a timely manner. This is expected of all JICES families.

Monday-Thursday: Please pick up your child no later than 3:45 PM.
Friday: Please pick up your child no later than 1:45 PM.

- The parents are responsible for their child’s safety before the school doors open at 7:30 AM and after school Monday-Thursday 3:45 PM, Friday 1:45 PM.
- For any after school activity (e.g. tutoring, choir, volleyball or land sharks), please pick up students at designated time.

Fridays: Boys and Girls Club offers after-school services on site. All JICES families can take advantage of the discounted rates normally offered only to military families. If you need to wait for a Middle School or High School student on Fridays, consider setting up an arrangement with another family to trade Elementary School pick up on alternate weeks or months. Students waiting for older siblings still need to be supervised by the parent. It is not acceptable to pick up your Elementary School students after 1:45 PM on Fridays.
If you are unable to pick up your child on time, it is your responsibility to make other arrangements. Listed below are the consequences for all offenders:

- After the first time students are picked up excessively late, there will be a verbal warning given to the person responsible for picking up your student.
- After the second time, a letter will be sent home informing you of the fee that will be charged if this occurs again.
- After the third time, a fee will be added to your students’ Infinite Campus account. You will need to pay this fee by the end of the school year in order for your student to keep his/her Student in Good Standing status. (You may also apply this fee to the initial registration at Boys and Girls 360 Club.)

**LEAVING CAMPUS**

- Students may not leave campus during school hours unless accompanied by a parent or guardian.
- At the time of departure, the student’s parent/guardian must sign the front office check-out sheet prior to leaving campus. Failure to do so will constitute an unauthorized absence.
- Students who become ill during the day must be referred to the front office by a teacher so that the parent/guardian can be contacted by the JICES office personnel.
- Students leaving campus for special school activities (i.e., field trips) must turn in a permission slip signed by the parent/guardian. Students with behavior/academic concerns may have these privileges withdrawn and may not be allowed to attend the activity.
- Students arriving at school after 12:00 PM or leaving school before 12:00 PM will be considered absent for a half day.

**HANDICAP PARKING [Revised July 2016]**

- If you have a handicap sticker, please follow normal carline flow around the parking lot in order to park in one of the handicap spots. (We would not want people to think you are “cutting in line.”)

**SEXUAL HARRASSMENT [Revised July 2016]**

- Jokes, innuendoes, or comments of a sexual nature, inappropriate touching, whether made to staff or students of either gender, are not permitted. Appropriate measures will be taken to protect students, families, and staff.

**ELECTRONICS, TOYS, & PERSONAL ITEMS**

- Students shall refrain from bringing ALL electronic devises to school (e.g., cell phones, iPods, MP3 Players, digital games, etc.).
- If a student must bring a cell phone, it must be turned in at the front office immediately upon arrival. The student can retrieve the phone after school when she/he leaves. This will ensure adequate accountability of the cell phone and prevent loss or theft, as well as prevent it from being a distraction to the instructional setting.
- Students shall refrain from bringing any personal items or toys from home. Lost or misplaced toys become a distraction and are upsetting to all students involved.
  
  i. Personal items found throughout the day will be confiscated and returned directly to the parent.
  
  ii. Repeat offenders will have their items returned to them at the end of the school year.

- Students will not carry, bring, use, or possess instruments where the actual or intended use of the object may be detrimental to the welfare or safety of students or school personnel. This includes knives of any kind (including pocket knives or razors); possession of firearms/guns, certain kinds of knives, and other weapons will result in automatic expulsion. (See the section under JICES Conduct and Behavior Code: Specific Rules - #5 Welfare and Safety for more details and consequences that are attached to this behavior.)
PLAYGROUND RULES [Revised July 2016]

- All games should be played with a concern for others using the playground.
- The playground equipment is to be used properly. If there are questions, consult with a teacher or playground supervisor.
- Students will not play roughly, nor be involved in such activities as tackling or wrestling.
- Shoes must be worn at all times.
- Students will show respect for others and follow instructions given by staff.
- Students must stay within the playground area
- Students may not climb the fence or any playground equipment not specifically designed for climbing.
- Students must keep all balls and equipment inside of the fence.
- Students may not go out of fence (without permission) into parking lot area for any reason.
- The whistle means to freeze! (No moving or talking.)
- Students are to stay out of the time-out area unless they are sent there by the playground supervisor.
- Grass areas are for soccer, football, and other field games. Students should kick or throw balls in these areas only.
- All equipment taken outside should be collected after every recess.
- Students will settle differences peacefully. The principle is: Stop/Think/Plan.

UNIFORM POLICY [Revised July 2017]

The uniform policy for James Irwin Charter Elementary School (JICES) has been established as a result of our parents’ and administration’s wishes. It is one piece of the JICES overall mission to set a higher standard of excellence not only in dress, but also in conduct, safety, and achievement. This policy is in force to facilitate the education of the JICES students, to ensure their safety, and to allow our teachers to focus on the education of our students. This policy will be reviewed and updated as necessary by the JICES administration and the JICS Board of Directors.

Uniforms for all James Irwin Charter Elementary School students are mandatory.
Uniforms must be worn when on campus, and for field trips unless otherwise stated. Uniforms must also be worn for all before and after-school programs, as well as after-school tutoring and enrichment sessions, except on occasions specified by the instructor. Uniforms are not required for any evening or weekend activities unless specified. Classroom teachers and administrators will make final decisions regarding uniform issues.

UNIFORM POLICY INFRACTIONS [Revised July 2016]

Uniforms support our focus on character and increasing student learning. This standardized approach in appearance eliminates needless comparisons and unnecessary distractions. Students are free to concentrate on their effort and attitude toward successful learning. Thank you for supporting the JICES uniform policy.

Note: More uniform options are given when students progress into the James Irwin Charter Middle School. Please remember: Not all items that are in the Middle School Uniform Code are allowed in the Elementary School.

Cooperation and compliance with the JICES uniform policy are expected. Students who come to school out of uniform for the first time will receive a reminder “Oops!” slip from the homeroom teacher (see attached). The next time this happens, students will receive an “Oops!” slip that will count as a uniform infraction. Slips must be signed by the parent/guardian and returned to the homeroom teacher within two (2) days. A student’s failure to comply with the uniform policy will result in the following consequences:

i. 1 Infraction per Quarter:
The student will miss one-half of a recess, and the parent/guardian will be notified by the homeroom teacher.

ii. 2-3 Infractions per Quarter:
The student will not be allowed to participate in one (1) recess and the parent/guardian will be notified by the homeroom teacher.

iii. 4+ Infractions per Quarter:
The student will receive In-School Suspension (ISS) and the parent/guardian will meet with the Student Services Specialist.

HOMEWORK RULES & CONSEQUENCES

Homework is a key to success for all James Irwin students. It is an important part of core subjects and is a daily requirement for each grade level. Below is a list of the recommended time for students to spend on daily homework for each grade level. These are just guidelines to use; each student may or may not take longer than this time to complete his/her homework, depending on the group level and/or a need to close any achievement gaps.

<table>
<thead>
<tr>
<th>Grade Level</th>
<th>Recommended Homework Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Kindergarten</td>
<td>30 min.</td>
</tr>
<tr>
<td>1st grade</td>
<td>30 min.</td>
</tr>
<tr>
<td>2nd grade</td>
<td>30 min.</td>
</tr>
<tr>
<td>3rd grade</td>
<td>40 min.</td>
</tr>
<tr>
<td>4th grade</td>
<td>50 min.</td>
</tr>
<tr>
<td>5th grade</td>
<td>1 hour</td>
</tr>
</tbody>
</table>
Consequences: Students will have appropriate consequences for every subject that has missing or incomplete homework each day.

- If there are more than 2 days of incomplete homework in a week, a phone call will be made to inform parents.
- If this behavior continues over several weeks with no improvement, the Student Services Specialist will be notified and a meeting will be set up to discuss academic success for the student. At this meeting, an administrator may put a Homework Contract into place for the family.

GRIEVANCE PROCESS

From time to time disagreements can arise between a parent and a staff member concerning school matters (e.g., enforcement of discipline procedures, staff interactions with a student, decisions about consequences, etc.). The Grievance Process is designed to give an avenue for resolution.

- **The parent should contact the staff member, asking for a convenient time to meet and discuss the concern.**
  - It is important when planning a meeting time to be sensitive to the teacher’s duties and preparation/planning time: spontaneous meetings right before or after school may not be convenient or possible.
  - Contacting the teacher via the daily Learning Plan, e-mail, or by school phone (leaving a message with the office) are all acceptable ways to reach a teacher.
  - If the staff person is an instructional assistant or satellite assistant, the classroom teacher or Lead Teacher may decide to attend the meeting as well.

- “**Ask questions before assuming**: It is *always* helpful for the parent to *first* listen to the staff person about his/her perspective of a situation *before* drawing conclusions. “Could you help me understand what happened in math class yesterday regarding [my child]?” Listen, ask clarifying questions, take notes.

- **Remember to remain respectful**: All conversations should be conducted with a respectful tone, respectful words, and a respectful demeanor. If the tone of the meeting becomes too intense or angry, the parent or staff member may decide to close the meeting and re-schedule it for another time with an administrator present.

- **Is another meeting with the staff person needed?** Remember that for some matters, it may be appropriate to meet with the staff several times to see if the initial situation has improved, or if it has been thoroughly addressed (e.g., homework completion, paying attention, etc.), or if other concerns have developed.

- **If this effort fails to solve the issue, go to the Elementary School Principal (or Assistant Principal) with the problem.**

- **If a discussion with the Elementary School Principal does not lead to resolution, you can contact the JICS Chief Financial Officer (CFO), Eileen Johnston, with your concern.**

(The Grievance Process regarding the JICES Principal should follow the same procedures and guidelines.)
ATTENDANCE AND TRUANCY

Students are expected to attend class unless properly excused by the JICES administration. Students will be in their assigned classrooms promptly at the beginning of each school day and/or at the beginning of each class period.

Consequences: Levels 1 through 5

CONDUCT WHILE AT SCHOOL

Students will not disrupt or interfere with the educational process in the classroom or elsewhere on school grounds. They will move in an orderly manner, staying with their assigned group while in the hallways, and will not loiter, congregate or roam in off-limit areas. Students will maintain appropriate behavior during the assemblies and remain at the assemblies until they are dismissed.

Colorado School Law states students are considered “habitually disruptive” when they have willfully caused a “material and substantial disruption in the classroom, on school grounds, on school vehicles, or at school activities or events, and the child was suspended three (3) times during the school year for the disruption” §C.R.S. 22-33-106 (c.5).

Students will be deemed “habitually disruptive” on a case-by-case basis which may result in loss of Student in Good Standing status. Disruptive students will be placed on a Behavior Plan when deemed necessary by the administration.

Consequences: Levels 1 through 5

ACADEMIC INTEGRITY

Students are expected to be honest at all times in speech and action. Students will not cheat. Students will turn in all assigned homework when required. Students will complete all of their assignments as independently as possible. We encourage parents to verify that homework is complete. If a student is struggling in a certain subject, we recommend parents talk to the teacher for guidance. If the student fails to follow the homework guidelines, the student will be placed on a Homework Contract when deemed necessary by the administration. A student is able earn the possibility of coming off of a Homework Contact; however, a Homework Contract may follow a student to the next year if adequate improvement did not take place. A Homework Contract may be removed by the Student Services Specialist when it is evident that the student has made good progress in homework completion.

Consequences: Levels 2 through 5

RESPECT FOR PROPERTY

Students will show respect for school property and the property of others. Students will refrain from entering all classrooms and breakout rooms without a teacher present. Students will not write on or cause damage to any James Irwin Charter School property, including all walls, desks, bathroom stalls, and outdoor equipment and landscaping.

Consequences: Levels 1 through 5

RESPECT FOR PERSONS [Revised July 2015]

Students will show respect to others in speech and actions. Students will refrain from *bullying, cyber-bullying, causing or threatening harm or personal injury to others on or off school property. Students will further refrain from creating disturbances, harassing others, or instigating mistreatment of others. This includes messages by phone, letter, email, Facebook, and/or including all social media sites. Gossip will be given consequences under this category. This Rule includes behavior during all school designated activities, on or off JICS school property.
*Bullying is unwanted, aggressive behavior among school aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. Both kids who are bullied and who bully others may have serious, lasting problems.*

Consequences: Levels 1 through 5

**LANGUAGE**

Students will refrain from using or writing profane, vulgar, or abusive language at school or at school sponsored activities. This includes “sucks,” “shut up,” “jerk,” “idiot,” “what the ___,” “dang it,” “crap,” “gay,” “fag,” etc. This also includes all hand or body gestures.

Consequences: Levels 1 through 5

**DRESS AND PERSONAL APPEARANCE**

Basic standards for dress and personal appearance are that students will be clean, neat, and modest. Student appearance and dress shall not adversely affect the welfare or safety of another or the right to work or study without interference. Student appearance and dress shall not create or promote distractions in the classroom. Students need to follow the dress requirements identified for school uniforms or special occasions.

Consequences: Levels 1 through 5

**UNLAWFUL BEHAVIOR**

Students will not engage in any criminal behavior. Students will not bring any inappropriate or illegal substance or paraphernalia to school. This includes all lighters, matches, cigarette papers, pipes, etc.

Consequences: Levels 3 through 5

**PUBLIC DISPLAYS OF AFFECTION**

Inappropriate physical displays of affection distract from the educational atmosphere and are prohibited on school premises. This includes holding hands.

Consequences: Levels 1 through 5

**COOPERATION WITH PERSONS IN AUTHORITY**

Students will show respect for persons in authority. Disobeying or showing disrespect to a person in authority will constitute defiance and will not be tolerated.

Consequences: Level 1 through 5

**WELFARE AND SAFETY**

Students will not carry, bring, use, or possess instruments where the actual or intended use of the object may be detrimental to the welfare or safety of students or school personnel. This includes knives of any kind, including pocket knives or razors, BB guns or toy guns, any and all guns (real or fake).

Consequences: Levels 4 through 5

**GANG RELATED BEHAVIOR AND DRESS**

Students will refrain from all speech and actions (hand signals, gestures, etc.) relating to all gang related activities. Students will conform to the requirements of the School Uniform Policy.

Consequences: Levels 1 through 5 or as specified in JICES Uniform Enforcement and Consequences.
These groups provide a flexible sequence of consequences for unacceptable student behavior. Repeated misbehavior will result in progressively more serious consequences based on the seriousness of the offense. It is our goal for students to be motivated as much as possible in positive ways. Consequences are assigned to promote learning appropriate behaviors and habits. Great care is given when assigning consequences.

The Principal and staff are provided latitude in assigning consequences.

**The Principal and staff need not employ all the consequences** in a given group before selecting one from another group in disciplining a student.

A parent/guardian will receive notice of student discipline problems and the consequences administered for any infraction resulting in a consequence from Levels 2-5. Records shall be maintained at JICES for infractions resulting in a consequence from Levels 2-5.

### Level 1
- Staff Warning
- Teacher or Administrator Warning
