September 14, 2020

Dear Parent or Guardian,

This is a reminder that on Wednesday, September 23 *all* seniors will be taking the SAT on campus. Even if this is your student's normal remote day they will need to be on campus to take the test. Students are to report to the Field House lobby no later than 7:45am for check-in.

Students are to bring their calculator, clear water bottle and snack if desired. Students will be dismissed for the day once testing is completed. Those students taking the SAT without Essay will be dismissed at approximately 11:30am. Those taking the SAT with Essay will be dismissed at approximately 12:30pm.

Students will be required to wear masks during the entire testing time, even during breaks. Students will not be allowed to mingle in groups before testing, during breaks or after testing.

It is recommended that students not bring anything with them that is not needed for testing for example backpacks, bags, books, etc. These items will need to be left in the Field House lobby during testing. If students bring their cell phone they will need to turn them in to the testing staff until testing is complete. Students are not allowed to access any technology until testing is over, including during break times.

Thank you.
